acquisitions in Manchuria and at  
Port Arthur, and stated that although  
a portion of the Fleet would be  
permanently stationed at Port  
Arthur, yet Vladivostok would con-  
tinue the Headquarters of the  
Russian naval squadron and that  
Russian subjects need have no fears  
as to the future prosperity of  
Vladivostok which would be well  
looked after by the Russian Govern-  
ment.

The Port Admiral and Governor,  
Major-General Unterlegger, confirm-  
ed the statements of the Governor-  
General.

Three official missions, composed  
of naval and military engineers and  
commercial experts, have already  
started, each with a guard of some  
one hundred Russian Cossacks, and  
with the acquiescence of the Chinese  
Government, on expeditions of ob-  
servation, etc., and to make surveys  
of different portions of Manchuria.  
The points from which they started  
were Nertchinsk, Blagovshensk  
and Nikolsk, and another official  
mission will shortly start from  
Taitshikar for Moukden and Port  
Arthur.

You may remember Wong Chi-  
chuan on his return from St. Peter-  
sburg was fired at and wounded  
slightly at Saigon—it is supposed by  
a Japanese—but he has recovered  
and will shortly be promoted to  
very high office.

### CORRESPONDENCE.

lication, but as a guarantee of good faith.)

ED. THE INDEPENDENT:—

In the interest of justice and to  
uphold the laws of the lands, Mr.  
Julian D. Hayne has manfully come  
to the front, and offered a reward of  
\$500 for the apprehension of the  
guilty parties who tarred and feathered  
Frank Godfrey; which for some  
unaccountable reason, the govern-  
ment has very mysteriously not  
done. The slackness of the govern-  
ment as shown, in not offering a re-  
ward for the culprits, but leaving it  
to a private citizen at this late day  
to accomplish, will not place this  
government in a very bright posi-  
tion before the powers at Washing-  
ton. Those senators may request  
Master Hatch to arise and explain,  
how it was, that such a barbarous  
act as clothing a man of letters, in a  
suit of tar and feathers—could have  
happened under "Stevens' best gov-  
ernment," where the disciples of  
love have blazoned before the world,  
that they only—are the elite of Ha-  
waii nei. Most surely, there must  
be something radically wrong, in  
this school of "Josephus Orange  
Blossom."

RESPECT FINEM.

More Books on Hawaii.

Lieutenant Lucien Young has one  
on hand and now we clip from the  
Hongkong Telegraph the following:  
"We hear that one of the exiles from  
the late Hawaiian troubles in Janu-  
ary last, has been recuperating in  
South China. He has been devoting  
his idle moments in compiling three  
pamphlets on the Islands, called,  
respectively—"The results from  
seventy years missionary labours on  
the Hawaiian Islands," "Six months  
in Dole's Bastille" and "Food for  
Patriotic Hawaiians." Judging from  
the tenor of these papers they were  
written by a man "on the spot," so  
to speak, and not from hearsay.  
The lives of honest-thinking men  
were jeopardized under the tyranny  
of a despotic semi-religious Oli-  
garchy which has been posing under  
the misnomer of a "Republic," and  
openly defying the rescue by even  
Great Britain or her suffering sub-  
jects. However, there is every  
reason to hope that the mist that  
would seem now to be slowly but  
surely rising will reveal the dawn of  
a lasting peace for Hawaii." The  
reference is evidently to E. C. Crick.
